**PORTLAND / MUSIC** **Phunky Phresh Boy Band Reminds You to "Fill Out Your Census!"**

POSTED BY WM.™ STEVEN HUMPHREY ON THU, MAR 25, 2010 AT 9:02 AM

YO! Have you filled out your **Census forms** yet? Well, here's a public service announcement from the 1990's boy band **Fresh Force**, who use rap and phunky-phresh steppin' to remind us that filling out the Census not only helps our community, it's ice-cold cool, baby! Word to your mother! (Who should be counted as well.)
